The “History of Science” is published and edited under the auspices of “AcademyGate Publishing”. Articles are published in Azerbaijani, Russian, English, Turkish, Persian, and Arabic. The journal accepts articles across various scientific fields. The publication frequency of the journal adheres to a quarterly schedule. It follows a rigorous peer-review process, submitted articles undergo thorough evaluation, those meeting scholarly standards receive positive assessments. Such articles are recommended for publication. It is pertinent to recognize that authors’ perspectives may diverge from the standpoint of the editor-in-chief.
